

**Arts & Health: Healthy Aging Through The Arts
Year – End Survey for Artists**

Thank you for taking the time to complete this year-end survey for the Arts & Health Project. As you know the funding for this project relies on detailed reporting on annual activities and outcomes. Your input is essential to this process.

Please answer the questions below and return the survey to me no later than June 13th.

Thanks again for your attention to this important task.

1. Have you been involved in the program planning for the A&H seniors at your site programming for next year? if yes please explain
2. How has your experience working within the Arts & Health Project impacted your vision for seniors' programming?
3. In your estimation what % of the participating seniors have reported to you that they feel an improvement in their daily life satisfaction by participating in the A & H Project this year?
4. Did your group exhibit or perform for the public other than at the Showcase in June? If yes please explain where, when, how many seniors participated.
 - 4a. In your estimation what % of seniors indicated to you this year that sharing their work with the public has made them feel appreciated and supported.
 - 4b. Please provide an example of what the seniors said about showing their work/ performing their work in public.
5. Please provide examples of how seniors have been recognized by the broader community this year, i.e. articles written about them or requests to perform/exhibit their work.
6. Please provide examples of peer mentorship (of how seniors support Each other within their artistic practice- specific examples of what they have done, what they have said. . .).
7. Please explain the "arts experience" activities this year?

8. Would you agree that the documentation of the seniors' work in your project this year demonstrates that, over time, the seniors are developing their artistic skill and engaging with more ambitious subject matter? If yes please give an example.

9. In your estimation what % of seniors report an increase in their feeling of belonging in the community because of their involvement in the project.

10. Please explain one story of change that has occurred for one individual this year as a result of your program.

11. Please explain one story of change that has occurred for your group or the community at large as a result of your program.
